

# PROCESS MEASUREMENTS & CHEMICAL DOSING EQUIPMENT

## TECFUID - FLOW & LEVEL MEASUREMENTS

- Variable Area (rotameters) Flow Meter
- Target Flow Meters
- Turbine Flow Meters
- Positive Displacement Flow Meters
- Magnetic Flow Meters - Full Bore or Insertion Type
- Vibrating Fork Level Switch
- Magnetic Float Level Switch
- Site Glass Level Indicator & Transmitter

## KYTOLA - FLOW MEASUREMENTS

- VA Flow Meter with Needle Valves
- Inclined Tube Manometers
- Sealing Liquid Monitors for Pumps Seals
- Oval Gear Flow Meters for Oils
- Lubrication Oil Monitoring
- Constant Flow Regulators

## MEISTER - FLOW MONITORS

- Flow Monitors & Indicators (Adjustable Switches)
- Impeller Flow Meter (mini turbine flow meter)
- Flow Monitors for IS, High Temperature & Pressure
- Stainless Steel Paddle Flow Switches
- Flow Limiters and Needle Valves

## MAC3 - LEVEL ALARMS & SENSORS

- Cable Float Switches
- Conductivity Level Relays
- Capacitance Level Switch
- Pressure Sensors for Level Measurements

## FINE AUTOMATION - LEVEL MEASUREMENTS

- Mini Float Switches - SS & Plastics
- Cable Float Switches
- Magnetic Float Switches & Transmitters
- Optical Level Switch
- Vibration Fork Level Switch
- Pressure Level Transmitters
- Rotary Paddle Level Switch for Solid
- Capacitance Level Switch & Transmitters
- By-Pass Magnetic Float Level Indicator & Transmitter

# PROCESS MEASUREMENTS & CHEMICAL DOSING EQUIPMENT

## SEKO - CHEMICAL DOSING EQUIPMENT

- Economical Peristaltic Pumps
- Electromagnetic Diaphragm (Solenoid) Pumps
- Plunger Metering Pumps
- Mechanical Diaphragm Metering Pumps
- pH Measurements & Controllers
- ORP (REDOX) Measurements & Controllers
- Conductivity Measurements & Controllers
- Free Chloric Measurements & Controllers
- Electrodes & Accessories for pH, ORP and Conductivity

## DOSEURO - CHEMICAL DOSING PUMPS

- Direct Diaphragm Head Dosing Pumps
- Piston Head Dosing Pumps
- Hydraulic Diaphragm Head Dosing Pumps
- Multiple Head Dosing Pumps

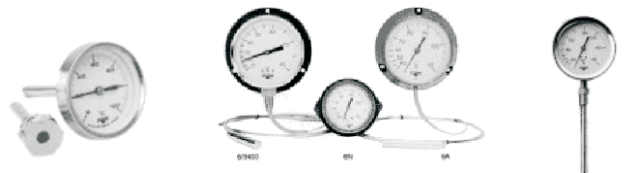

## TRAFAG- PRESSURE & TEMPERATURE

- Pressure Switches & Transmitters
- Integral Pressure Transmitter, Indicator & Alarm
- Submersible (IP68) Pressure Transmitters
- Temperature Switches & Transmitters

## TELTERM - TEMPERATURE GAUGES

- BI-Metal Thermometers
- Vapour Actuated Thermometers
- Gas Operated Industrial Thermometers
- Mercury-In-Steel Industrial Thermometers

## RHOMBERG - PRESSURE GAUGES

- Economical Steel Cased Gauges
- Stainless Steel Case & Bezel
- Colour Coded Case & Bezel
- Diaphragm Pressure Gauges

**PRODUCT SUMMARY:****TECFLUID**

PTM - Plastic Tube VA (Variable Area) Flow Meter  
 PT11 - Plastic Tube VA (Rotameters) Flow Meter  
 2000 - Glass Tube VA Flow Meter with S/S Needle Valve  
 6000 - Glass Tube VA Flow Meter  
 M21 - Stainless Steel Tube VA Flow Meter  
 SC250 - Stainless Steel Tube VA Flow Meters  
 DP65 - Target Flow Meter  
 FLOMAT - Insertion Electromagnetic Flow Meter (Mag)  
 FLOMID - Electromagnetic Flow Meter  
 TM44 - Turbine Flow Meter  
 COVOL - Volumetric Counters  
 LT10 - By Pass Level Indication, Alarm and Transmitter  
 LC30 - Multi Point Level Switch  
 LC40 - Side Mounted Magnetic Level Switch  
 LC60 - Vibrating Fork Level Switch  
 LP80 - Level Indicator & Transmitter

**KYTOLA**

L - VA Flow Meter with Needle Valve (1/4")  
 V - VA Flow Meter with Needle Valve (1/2")  
 K - VA Flow Meter with Needle Valve (1")  
 SLM - Sealing Liquid Monitor  
 DPA - Inclined Tube Manometer  
 295 - Oval Gear Flow Meter

**MEISTER Stromungstechnik**

RVM/U - Flow Monitor (Adjustable Flow Switch)  
 RVO/U - Flow Monitor & Indicator  
 DWM - Flow Monitor (Adjustable Flow Switch)  
 DWM/A - Flow Monitor & Indicator  
 DKM - Viscosity Compensated Flow Monitor  
 DKM/A - Viscosity Compensated Flow Monitor & Indicator  
 SPM - Paddle Flow Switch  
 DIGA - Mini Turbine Flow Transmitter  
 DHGF - Impeller Flow Meter (Pulse Output)  
 DHT - Insertion Impeller Flow Meter (Analogue / Pulse Output)

**FINE AUTOMATION (FineTek)**

BP - By-Pass Level Indicator  
 CS - Cable Float Switches  
 ULI - Ultrasonic Level Indicators  
 MEC - Capacitance Level Indicator  
 RL - Magnetic Float Level Indicator  
 RF - Magnetic Float Level Switch  
 ME - Capacitance Level Switch  
 EG - Magnetostrictive Level Transmitter  
 LF - Side Mounting Level Switch  
 PD - Optical Level Switch  
 PM - Microprocessor Panel Meter with Bargraph  
 TM - Microprocessor Temperature Controller  
 FS - Flow Switch  
 RF - Mini Float Level Switch  
 PCS - Pressure Level Indicator  
 ZVL - Vibrating Probe Level Switch  
 RP - Rotary Paddle Level Switch  
 AS - Air Hammer

**MAC3**

MAC3 - Electromechanical Level Regulator (Cable Float Switch)  
 AGMA 22 - Level Regulator with Magnetic Hook-up  
 REKA 2000 - Capacitive Level Controller  
 QUICKSTOP - Instant Closure Hydraulic Regulator  
 ELETTROSONDA QNS, QAS, QSR, DB - Conductivity Level Controller  
 SPH - Single Probe Holders (electrodes)  
 SENSOPRESS - Direct Read-Out Electronic Level Gauge Regulator

**RHOMBERG**

PBG - General Purpose Pressure Gauge  
 PBB - Industrial Pressure Gauge

**TRAFAG**

8838 - Submersible Pressure Level Transmitter  
 ECOS - Economic Pressure Transmitter  
 NAP - Industrial Pressure Transmitter

**TEL THERM**

3CC - Bi-Metal Thermometers (temperature gauge)  
 3SS - Bi-Metal Thermometers (100mm)  
 4SS - Bi-Metal Thermometers (150mm)  
 Gas Operated Industrial Thermometers  
 Mercury in Steel Industrial Thermometers

**SEKO**

PE - Fixed Capacity Peristaltic Pumps  
 PR - Variable Capacity Peristaltic Pumps  
 INVICTA - Electromagnetic Metering Pumps (Solenoid Pumps)  
 TEKNA - Electromagnetic Metering Pumps (Solenoid Pumps)  
 MA - Mechanical Diaphragm Metering Pumps  
 PA-PB-PC - Plunger Metering Pumps  
 PH20 - Din Rail Mounted pH Controller, Transmitter and Display  
 MV20 - Din Rail Mounted REDOX (ORP) Controller  
 PR75 - IP65 Wall Mounted pH & REDOX Controller  
 CD75 - IP65 Wall Mounted Conductivity Controller  
 POOL BASIC - Peristaltic Pump with pH or ORP Controller  
 CC - Calibration Column

**DOSEURO**

A Series - Piston Metering Pump  
 B Series - Hydraulic Diaphragm Dosing Pump  
 BR Series - Hydraulic Diaphragm Dosing Pump with Pressure Relief  
 D Series - Mechanical Diaphragm Dosing Pumps  
 G Series - Electronic Diaphragm Dosing Pump

**SENSOREX**

Inline Flat Surface pH/ORP Electrodes  
 Submersion Flat Surface pH/ORP Electrodes
